2. Six and one-half percent state sales tax will be added to the cost of all lots delivered in Colorado.

6. All postage, insurance and shipping charges will be added to your invoice. There will be a \$1.00 charge per lot for packing and processing.
7. Terms of this sale are strictly cash in United States funds. Foreign payments must be made in dollars and all checks must be drawn on United States banks.
8. Lots to be mailed to addresses not in the United States or its Territories will be sent only at the risk of the purchaser. When possible, insurance or registration will be obtained; it must be noted, however, that adequate insurance or registration is often not available by surface or air mail.
9. Title to all lots remains with the American Numismatic Association until paid for in full. Payment must be made immediately upon notification or upon receipt of material. The discretionary right to withhold delivery of lots until full payment has been received is reserved.

PREFACE

We are honored to have been selected by the American Numismatic Association Library to sell their duplicates. You are encouraged to bid generously in this sale since all funds generated will accrue to the benefit of the Library. We are conducting the sale without commission and only the costs of printing and distributing the catalogue will be deducted from the proceeds.

All the lots in the sale have been carefully catalogued by the A.N.A. Library staff. Though not available for viewing, any items found to be not as described are returnable under conditions noted in the Terms of Sale. All purchases will be invoiced and shipped by the American Numismatic Association.

Almost without exception, the books in the sale have never been accessioned and thus bear no library identification marks. Condition is generally excellent. Bookplates or other identification marks of prior owners, including a number of prominent American numismatists, are noted. Your participation will not only enrich your bookshelves, it will help to support and expand the world's largest circulating numismatic library. Thank you.
